We're excited to welcome our students back as we begin the 2nd semester!

As we step into a new semester, we're ready for fresh goals, new opportunities, and even more success. Let's build on the momentum and make this semester even better!

Here's to continued learning, growth, and unforgettable experiences.

DIRECTOR'S MESSAGE

Dear NAIS Families, Staff, and Students,

Welcome back to a new semester at NAIS. I hope you enjoyed a restful and joyful holiday break and are feeling refreshed, re-energised, and ready for the exciting semester ahead. January always brings with it a sense of renewal, possibility, and purpose—and our campus is once again alive with energy, laughter, and learning.

At NAIS, our academic programme remains at the heart of everything we do. This semester we continue to strengthen our commitment to high-quality teaching, differentiated learning, and academic excellence, ensuring that every child is challenged, supported, and inspired to reach their full potential. Our classrooms are focused spaces of curiosity, critical thinking, creativity, and growth, guided by dedicated educators who care deeply about both outcomes and wellbeing.

We are also proud to share an important milestone for our school: **NAIS has been granted membership accreditation with AAA**. This achievement is a testament to the quality of our academic standards, governance, systems, and overall school culture. AAA membership places NAIS among a network of respected institutions committed to continuous improvement and best practice, and it affirms the hard work of our staff, students, and wider school community.

Beyond academics, 2026 promises to be a year rich in opportunity—across sport, culture, leadership development, and community engagement. We remain deeply committed to nurturing well-rounded individuals who are confident, compassionate, and prepared for the world beyond the classroom.

Thank you to our parents for your ongoing trust and partnership, to our staff for your professionalism and dedication, and to our students for the enthusiasm and spirit you bring to our school each day. Together, we look forward to a semester of growth, achievement, and shared success.

Here's to a positive and productive semester ahead.

Warm regards,
Grant Tate
NAIS Director
